

July 13, 2005  
D.C. Moore & Son, Inc.

Last year, D.C. Moore & Son, Inc did not market our website at all. Beginning in 2005, we decided to give the BellSouth Search program a try. The results were immediate, receiving multiple hits and physical requests daily. Implementation of the BellSouth Search program has significantly increased our business.

Thanks and regards,

Rich Cantanzaro, Sales Representative  
D.C. Moore & Son, Inc.
